Revised Shared National Credit Data

Note: This version of the September 25, 2006, release of the Shared National Credit data corrects several discrepancies. Specifically, the non-accrual amounts in the second paragraph of the Overview on page 2 and in Table 1 have been revised. These amounts now match the non-accrual amounts previously reported in Table 2. In Appendix B, the section titled "All Industries (Total)" corrects the line items titled "% Classified" and "% Special Mention" for the years 2001, 2002, and 2003.

###

The Office of Thrift Supervision, an office of the Department of the Treasury, regulates and supervises the nation's thrift industry. OTS's mission is to ensure the safety and soundness of, and compliance with consumer protection laws by, thrift institutions, and to support their role as home mortgage lenders and providers of other community credit and financial services. OTS also oversees the activities and operations of thrift holding companies that own or control thrift institutions. Copies of OTS news releases and other documents are available at the OTS web page at www.ots.treas.gov.
